

Draft Programme: ISIpedia Indicator-Development Workshop

28th- 30th November, 2018
Krakow, Poland

Overarching aim: Facilitate exchange between stakeholders and modellers in order to identify and derive relevant indicators (sectoral and/or cross-sectoral) within the possibilities of ISIMIP data.

Objectives:

1. Create a common language for better understanding between modellers and stakeholders.
2. Develop capacity among stakeholders to formulate their needs and translate them into indicators.
3. Provide expertise in how indicators are developed within ISIMIP modelling.
4. Explore possibilities and barriers for the development of indicators.
5. Review existing and develop new relevant indicators.
6. Assess applicability of both existing and newly developed indicators.

Draft Agenda:

Wed- 28th Nov		
Morning	Introduction and Welcome	Stakeholder Engagement Team (SET)
	Updates from the ISIpedia Project	SET
	Stakeholder “Speed-Dating”	Interactive session
Lunch , to be provided by hotel		
Afternoon	“Coffee Session” (15 mins) *	Input from one of our stakeholders-

		TBD
	What are [Impact] Indicators	ISIMIP Team
	Building our Indicator-vocabulary Box: developing a common understanding of indicator-related vocabulary	Interactive session
Thur- 29th Nov		
Morning	“Coffee Session” (15 mins) *	Input from one of our stakeholders- TBD
	From Needs to Indicators: selecting and building relevant indicators	Breakout groups
	Reviewing Existing Indicators: delving into sectoral indicators already provided by ISIMIP	Breakout groups
Lunch, to be provided by hotel		
Afternoon	“Coffee Session” (15 mins) *	Input from one of our stakeholders- TBD
	Indicator Development: building off of the work done in the morning	Breakout groups
	Wrap-up and Planning for Friday “Open Space”	SET
Group Dinner (non-obligatory)		
Fri- 29th Nov		
Morning	“Coffee Session” (15 mins) *	Input from one of our stakeholders- TBD
	Review of New Indicators	SET
	“Open Space” A designated time slot for any relevant, unaddressed topics.	SET Breakout groups
Lunch, to be provided by hotel		
Afternoon	“Coffee Session” (15 mins) *	Input from one of our stakeholders-

		TBD
	Outlook: ISlopedia	SET
	Closing & Next Steps	SET

* A “coffee session” is a ten-minute presentation by a stakeholder on their relevant work, followed by 5 minute discussion. Once the participant list is set, a request for input in these sessions will follow.

This workshop will be facilitated by the ISlopedia Stakeholder Engagement Team from Climate Analytics. With any questions, please reach out to:
